v.

Juan Jose SOSA-Sanchez

Case No: MJ 10-1076

 Defendant(s)
CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief. On or about the date of April 12, 2010 in the county of Sierra in the State and District of New Mexico, the defendant violated 8 U.S.C. §1326(a)(1)/(b)(1)(Re-Entry After Deport Felon), an offense described as follows:

an alien, who had been previously arrested and deported from the United States, subsequent to being convicted of a felony, to wit: Aggravated Driving Under The Influence, and who had not received the consent of the appropriate authority of the United States to reapply for admission into the United States, was found in the United States, being willfully in the United States unlawfully

This criminal complaint is based on these facts:

The defendant was encountered by Border Patrol Agent Thomas Mechem on April 12, 2010 on New Mexico highway 60 near Magdalena, New Mexico in Sierra County. The defendant is a Mexican citizen illegally in the United States. Record checks indicate that the defendant was deported from the United States to Mexico on September 18, 2008. This deportation was subsequent to a conviction of a felony Aggravated Driving Under The Influence on April 27, 2005 in Phoenix, Arizona. There is no evidence to indicate that the defendant has received the permission of the appropriate authority to reapply for admission into the United States.
